

"PROFESSIONAL SERVICE WITH HONOR"

Press Release

As of July 26, 2019, there is a MedSafe Medicine Collection Receptacle located in the lobby of the Mulvane Police Department. The MedSafe provides a safe, sustainable and secure vehicle to collect and dispose of unwanted or expired patient dispensed medications. Drugs should be left in original containers when possible with personal information removed if desired. When using the MedSafe the following are prohibited items: sharps, batteries, aerosol spray cans, hazardous materials, contact solution, personal care products, chemicals, pill organizer and medical devices. Special thanks to Cindy Le, Sedgwick County Environmental Project Manager for providing this MedSafe at no expense to us!
